846 North Seward Street

- After booking the stage please inform Line 204 Studios of how many parking spots you will need for each day of your shoot. You will then receive parking instructions on which parking lot to use – **1400 Ivar Street or 846 N. Seward Street.**
- Have your driver show up at Line 204 to pick up Pass Van (Union Jobs have your Gang Boss) the morning of and sign out van with stage manager and begin to shuttle your crew to and from parking lot that is assigned to you.
- **When driver picks up the crew at 1400 Ivar Street:** Use Ivar entrance and get into right lane...pull a ticket and stay to the right following exit signs around to the left. Pick crew up at the elevators and proceed out. When exiting the structure just tell the attendant that you are picking up crew for Line 204 and will be making multiple trips that day. You do not need parking passes for this. If there is a problem tell the attendant that it is approved by Luis **Portillo, facility manager.**
- **Crew Parking located at 1400 Ivar Street:** Use Ivar entrance please.
- Pull ticket and leave in your car. You will present this to the attendant along with your Line 204 parking pass upon exiting that day/night.
- **Park on the roof floor at Ivar Location.** Preferably closer to the elevators to make it more convenient as this will be where the van picks you up downstairs. Wait downstairs for your driver in a Line 204 pass van to pick you up.
- **When production arrives the morning of:** Line 204 will hand over parking passes for all day. Production will distribute passes accordingly to crew. Please return any unused tickets for refund.
- **When leaving 1400 Ivar Street:** Give the parking pass along with your ticket to the attendant upon exiting the structure. If you must leave for a brief time tell the attendant that you will be returning and you will need to hold on to the pass.
- The parking structure is open 24 hours a day 7 days a week.
- **846 N. Seward Parking:** Line 204 will give you instructions and open up parking lot for you the morning of. If you need extra security and need Line 204 to provide please inform us ahead of time. Parking lot has lights and cameras.
- **Line 204 Parking Lot:** The Diagram above shows the layout of Line 204's parking lot. We offer each spot for \$10 or you can rent entire parking lot for \$350 and arrange cars however you like. We have gotten 40 cars in there but you need someone attending parking lot to move cars around.
- **Line 204 does not charge for Passenger Vans that we provide but we do Require that you refill the vans with Gas or there will be a fuel charge.**
